Teachers Become Healthcare Workers

Sisters and teachers ministering in rural Tambogrande, Peru transform from educators to healthcare support. This is the ministry needed in rural areas of Tambogrande to sustain life of the farmers.

Dear Friends,

Many things are asked of us! As vowed Religious women of many Religious Congregations, we witness to the presence of God to the world community.

As Sisters of Notre Dame de Namur, daughters of St. Julie Billiard, we too live in the presence of God in communities across the world; making known the goodness of God.

You travel with us in prayer and support. Much of what we do, we could not do without you.

Thank you for [traveling this Mission and Ministry road](#) with us.
