

# MISSION SUPPORT

*You Make the Difference*

Sisters of Notre Dame de Namur

*Making known God's goodness*

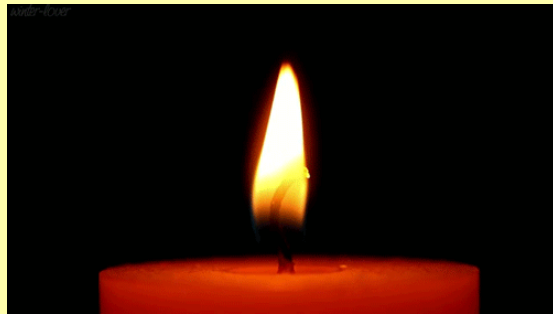

## **An Empty Time**

These past months, we have buried family members, friends, neighbors and friends of friends without the healing comfort of a word or embrace, a handshake, a wake or prayer service.

During these next days, remember them by name to keep their spirit alive with a kind word, a smile, a phone call to a relative or acquaintance. Life continues among us. We need to share this life with each other.

## **A Season of Remembrance**

**For all the Saints and souls  
who have touched us  
profoundly, we light candles  
in their memory to remind us  
of the light and life shared  
with the world.**

**Quick Links**

**On November 1st and 2nd, we join together to celebrate lives of those who have made a difference in our families and in our world.**

**May we be encouraged to live our lives blessed by God and sharing God's goodness with each other.**

**These days we remember the lives gone before us. The living among us also enfold us, hold us dear and send us forth in blessing.**

Thank you for your continued support.
